

I have two children at Edmondsley Primary School who are currently in Year 1 and Year 3. I am a qualified Primary Teacher and worked for nearly ten years at a school in Darlington. I made the decision to leave my job when my children were young, I am pleased I have had the opportunity to be a 'stay at home mum'. This has also allowed me to be very involved with their school life and I have enjoyed going on many trips and plenty of forest schools (whatever the weather!) with Edmondsley. Over the last few years I have been volunteering for a charity as an Events Co-ordinator and I also work after school and in the holidays as a Child and Family Crossfit Coach. I hope my background and experiences working in the Education system can be of benefit to my role as Parent Governor.
