

MATHS

Research facts about 10 countries in Europe. Put these into ascending or descending order.

Possible facts could include:

- Population size
- Land area
- Amount of rainfall in a year
- Length of the longest Rivers

DESIGN & TECHNOLOGY

In class, we are making savoury dishes from several European countries. For DT homework, I would like you to make/cook a dish from a European country that is sweet. We will then have a food tasting session to discuss these foods.

Please do not bring in foods that contain NUTS.

ART & DESIGN

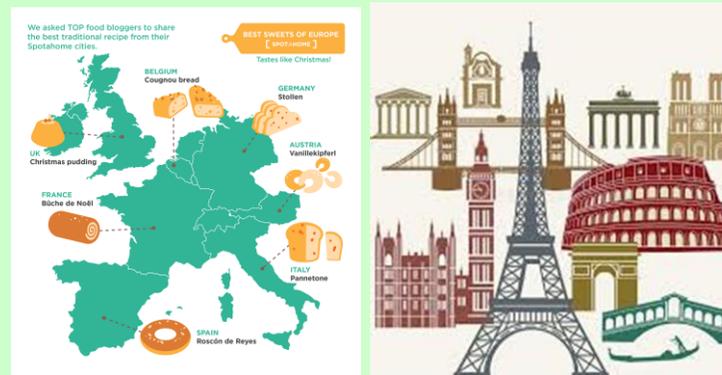

Create a collage of ten or more of the flags from different European countries. What material will you use?

Felt? Tissue paper? Paint?

Also include the names of each countries' flag next to your designs.

Deer Class - Autumn Term 2

One Continent, Many Countries Homework

As well as weekly reading, times tables and spelling practise, for our new topic this half term, I would like you to help your child to get involved at home with a range of activities.

The children can choose which order to in which to complete the suggested ideas;

Children need to complete one piece of homework per week.

Creations/works are to be returned each **Thursday (08/11, 15/11, 22/11, 29/11 and 06/12).**

I cannot wait to see what you come up with! Enjoy, Mr Glenton

ENGLISH

Write a story about a boy/girl who travels to different places when he/she goes to sleep at night.

Which country will they visit? What will happen when they get there? Will there be a problem they will have to fix? 1 side of A4 please.

RE

There are many religions spread across Europe. Choose one of these religions and write a fact-file about it. Try to include:

Their beliefs, their traditions, special festivals and names of special books/prophets within the religion.

PSHCE

In 2019, the UK will leave the European Union. This will have an impact on us as a nation.

Write an explanation of both sides of this decision. Why did people want us to stay in the EU and why did people want us to leave? What do you think would have been the correct decision?

1 side of A4 please.
