

Parent/Carer questionnaire for the Academic Year 2014/2015

As the academic year 2014 - 2015 has come to an end. I would like to take the opportunity to outline some changes which occurred partly as a result of your suggestions. Whilst it has not been possible for everything parents/carers have requested to be carried out/changed, the changes that have been made have helped to make Edmondsley Primary and Nursery School an even better place!

<u>This is what you have told me throughout the year.</u>	<u>The Response</u>
We would like a breakfast club	Advertised and appointed breakfast club leader. Breakfast club started in the Spring Term.
We would like Key Stage 1 afterschool clubs	Key Stage 1 afterschool clubs organised.
Adults are able to enter school grounds <b>very</b> early in the morning.	Security of school grounds tightened. (School gate opens at 8:45 so no unwanted visitors enter the school grounds)
Parents wished a 'Friends of Edmondsley Group' to be formed.	'Friends of Edmondsley Group' formed and becoming larger each term. (Please let me know if you wish your e-mail to be added to the group as no one can do everything but everyone can do something!)
We would like a sports day.	A Sports day was organised and very well attended. Enjoyed by all.
Increase opportunities for parents to come into school.	Nursery and Reception class mother's day lunch. Viewings of school work arranged. For example, World War Commemorative event. Celebration Assembly opportunity, E-safety workshop/performance etc.
Crowded in Reception porch in the mornings.	Reception children, along with other children line up on yard (when ready)
Would like the Head Teacher to be approachable	Head Teacher spent Autumn Term at gate welcoming children and family members. Head Teacher available to speak to on phone or pre-arranged meetings.
A very small percentage of parents said they don't know if their child is making progress.	Nursery parents have the opportunity to have an official Parents Evening. All children have individual Literacy and Mathematics targets to focus on.
A very small percentage of parents said don't know if their child receives appropriate homework.	All homework is marked and returned so you can see how well your child is doing.
Behaviour	A 'School Promise' was created with parents, children's and governors suggestions. Weekly Celebration Assemblies carried out to praise excellent behaviours. Lunchtime Ladies special spot books (lunchtime ladies write names of children who have been excellent role models and those whose behaviour needs discussing with Head Teacher).
Not always sure what is happening in school.	Weekly newsletters give further information as does our newly developing school blog.

The wonderful team approach adopted by all the staff at Edmondsley Primary and Nursery School have enabled various accredited achievements throughout the year.

ICT Mark  
Food for Life Bronze Award  
Care and Conservation School Award  
Basic Skills Primary Quality Mark  
International Eco-Schools Award

WELL DONE EVERYONE!
