

Home Learning Grid

Week beginning:	27 th April 2020		
Class name:	Deer class		
Teacher's weekly message:	<p>Hello Deer class! I hope you're all OK and have enjoyed completing your learning grids this week. I have noticed how busy you have all been on TTRS, well done! I have enjoyed the sun this week and so have my cats - Toast decided to roll in the drain at the side of the road and turned his white fur black! I had to give him a bath and he has been upset with me since. He has also been trying to catch bees, I hope he doesn't get stung! Luckily Teddy and Treacle are behaving themselves. I have also completed a quiz night with my friends using the internet, it was lots of fun. Maybe you could set up a quiz of your own?</p> <p>Hope you enjoy this week's activities, take care. I still miss you all - Miss McCulloch</p>
