Week beginning:	18 th May 2020
Class name:	Hedgehog class
Teacher's weekly message:	Hi Hedgehogs, hope you are all still smiling and keeping safe. Last week was my eldest daughter, Emilia's 21 st birthday. We couldn't go out to celebrate so we all got dressed up and pretended we were going to a fancy restaurant. Mr Graham and I cooked a delicious meal and I baked a special birthday cake. We also decorated the house with bunting and banners. I think Emilia enjoyed it. Take care everyone. See you all soon. Mrs Graham xxx

English	Maths	Wider Curriculum	Family Fun
 <p>Look carefully at the picture. Choose one of the dinosaurs. Write down some words to describe it. Now put those words into sentences. Can anyone guess which dinosaur you are describing?</p>	<p><u>Secret Number</u>. Play with an adult. Think of a number, your partner asks questions about that number eg is it an even number? Is it smaller than/greater than 10? You can only answer yes or no. Can they guess your number? Now swop over. Can you guess their secret number?</p>	<p>Make a Lava Lamp</p> <ol style="list-style-type: none"> 1 Fill a bottle or jar a quarter full with water. 2 Top up, almost to the top with vegetable oil. 3 They should separate into two layers, water at the bottom and oil sitting on top. 4 Add about 6-8 drops of food colouring once the oil and water separate. 5 The colour will mix with the water at the bottom. 6 Pop in half an effervescent tablets and watch the bubbles form. Add more effervescent tablets bit by bit to keep the bubbles rising and falling. 	<p>Plan some circuit training in the garden or lounge. Have a station of activities for each person in your family then swop after 1 minute.</p>
<p>Practice writing these words; The, down, looked, don't about, could, house, people. Write them five times each using a different colour each time.</p>	<p>Get about 12x 10p coins or make them out of paper. Take turns to roll a die and take that number of 10p coins. How much money do you have? Who has the most? Now can you try it with two rolls of the die?</p>	<p>Using the flowers you pressed a few weeks ago, make a book mark or picture.</p>	<p>Plan a treasure hunt. Hide some treasure then plant clues in the house and garden to create a trail to the hidden treasure.</p>
<p>How many words can you think of containing the 'ai' sound? Can you write down the words?</p>	<p>When walking along a street, look at house numbers. Can you predict what number will be on the next house? What about the house before? Try again further up or down the street.</p>	<p>Look at the food diary you created last week, Discuss with your family, which was your most healthy day and your least healthy day and why?</p>	<p>Build a fort using boxes. If you have no boxes use sheets and blankets instead.</p>
<p>Read a story with a family member. Can you role play your favourite part of the story?</p>	<p>Take turns. Roll a die. Take that number of pieces of pasta. Write down the number. Roll the die again and take that number of pieces of pasta. How much pasta do have now? Repeat with two new numbers.</p>	<p>Check on the seeds you planted last week. Has anything happened? Draw a picture of what you see in pot 1,2,3 and4.</p>	<p>Learn how to say please, thank you, good morning and good night in three different languages.</p>
<p>Wednesday is World Bee Day. Can you find out three facts about these amazing creatures and write them down? Remember capital letters and full stops.</p>	<p>At home, or when you are out walking, look at the surface of shapes. What shapes can you see?</p>	<p>Ask an adult to go on to google earth. See if you can find our school. Look for other landmarks in our area. Can you see your house?</p>	<p>Have a game of hide and seek.</p>
