

Home Learning Grid

Week beginning:	18 th May 2020
Class name:	Deer class
Teacher's weekly message:	Hello Deer Class, I hope that your letter arrived safely and it was a nice surprise - hearing from myself and Mrs Paul. Thank you to those of you who wrote back to me! Did you enjoy your learning activities last week? I try hard to make them different and exciting. I have been enjoying some long walks this week and I am still working on my skipping! I also made an apple crumble, it was delicious. Take care, I hope to see you all soon. Miss McCulloch

<table border="1"> <tr><td></td><td>1</td><td>2</td><td>3</td><td>4</td><td>5</td></tr> <tr><td>A</td><td></td><td></td><td></td><td></td><td></td></tr> <tr><td>B</td><td></td><td></td><td></td><td></td><td></td></tr> <tr><td>C</td><td></td><td></td><td></td><td></td><td></td></tr> <tr><td>D</td><td></td><td></td><td></td><td></td><td></td></tr> <tr><td>E</td><td></td><td></td><td></td><td></td><td></td></tr> </table> <p>-Play spellings wordships, create 2 grids as shown or find one at: https://www.twinkl.co.uk/resource/t2-e-1380-wordships-words-ending-in-ous-and-ious</p> <p>Each player secretly writes 10 spelling words on their grid, Players take it in turns to call out coordinates. If a coordinate contains a word, the player says it out and their opponent has to spell it. If it's spelt correctly, the wordship is sunk, if not, it remains afloat. Win by the sinking all 10 ships first.</p>		1	2	3	4	5	A						B						C						D						E						<p> + = 20</p> <p> - = 7</p> <p> - = </p> <p>Can you work out the values of each shape? Extension: generate your own version of this question - challenge a grown up to solve it!</p>	<p>Science: Who's on the menu? Create a list of the animals in your garden or animals that you spot on a daily walk from the largest visitor to the smallest insect. Who eats who? Can you create any food chains or a food web to show who's on the menu?</p>	<p>Catch a rainbow: Pour some milk into a bowl, put three drops of red colouring into one side. About a third of the way around put three drops of blue food colouring and another third of the way around put three drops of yellow food colouring. Do this without moving the bowl, so that the three colours do not mix. Next squeeze a drop of washing up liquid into the centre of the bowl and record what you see.</p>

<p>Listen to the audio story by David Walliams at 11am at: https://www.worldofdavidwalliams.com/elevenses/ Or ask a grown up to read you a short story - can you write a short, (100 words max) summary about the story you have listened to?</p>	<p>Complete at least one daily maths lesson on BBC Bitesize: https://www.bbc.co.uk/bitesize/dailylessons Their website even contains mental maths challenges for those of you who want to stretch your brains!</p>	<p>RE: Learn about the 5 pillars of Islam https://www.bbc.co.uk/bitesize/articles/zkvgcqt</p>	<p>Carrot Tops: Cut the top off a carrot and place it on a plate with some water. Watch what happens. Can you measure any growth?</p>																																				
<p>Complete the tasks based on the daily picture on: https://www.pobble365.com/ There will be numerous tasks linked to the picture.</p>	<p>Complete a garage, studio and soundcheck game on Times Tables Rockstars. Have your scores improved since you first played?</p>	<p>PSHCE: Team work https://www.bbc.co.uk/bitesize/articles/zbcthbtk</p>	<p>Try and think of a book title or author for each letter of the alphabet. Individually if you're competitive or work as a team.</p>																																				
<p>Rewrite applying rules of speech: Excuse me, said the man. Can you tell me what the time is? I think it's about 8 o'clock, replied Graham. I haven't got my watch on but I remember seeing the time on the town hall clock a few minutes ago. The town hall! said the man. That's just what I'm looking for. Can you point me in the right direction? Certainly, said Graham. You just go down there past the bank, turn left, go straight on and the town hall will be on your right-hand side. Brilliant, said the man, Thanks for your help. That's okay, said Graham.</p>	<p>Ask a grown up to generate 10 random numbers ranging from 2 digits and 4 digits in length. Can you multiply each of these numbers by 10, 100 and 1000? Can you say the new number out loud? Extension: can you divide these numbers by 10, 100 and 1000 - Hint: you may need to think about decimal numbers! Think, which direction do we move when multiplying? What about divide? How do we know how many columns to move?</p>	<p>Water Music: Arrange some drinking glasses on a table. If you hit them with a pencil what sound do they make? Is each different? Add different amounts of water to each glass. How has the sound changed? Compose some music on your water xylophone.</p>	<p>Set up a treasure hunt at home: ask a grown up to hide a number of items for you to find. How long did it take for you to find them all? Perhaps you could set up your own treasure hunt and draw a treasure map to give to a sibling or a grown up to help them to locate your hidden treasure. Was your map easy to follow and useful?</p>																																				
<p>Complete another one of the daily English lessons on BBC Bitesize. There are videos to support your learning and extension tasks to challenge you!</p>	<p>Create a maths quiz for your family. Remember, you need to work out the answers yourself before you can quiz them! How well did they do?</p>	<p>PE: complete a Joe Wicks workout. Can you make up your own exercise regime?</p>	<p>Play a game of Hangman or charades together.</p>
