

# Home Learning Grid

Week beginning:	8th June 2020		
Class name:	Hedgehog class		
Teacher's weekly message:	<p>Hi Hedgehogs, hope you are all still smiling and keeping safe. Last week I was back in school, it's very quiet without you all. Unfortunately, we had rain last week so we couldn't spend so much time outside. I think the grass and the plants will have been pleased to see the rain though. This Monday is 'World Ocean Day'. In school, we will be learning about recycling and how to keep our oceans clean. Hopefully you can join in too if you follow the link I've posted below. Take care everyone and I will see you soon.</p> <p>Mrs Graham</p>		
			
	<b>English</b>	<b>Maths</b>	<b>Wider Curriculum</b>
What is this pirate's name? What is he doing? Write a few sentences to describe what he looks like. Use some good adjectives.	visit <a href="https://www.bbc.co.uk/bitesize/levels/z3g4d2p">https://www.bbc.co.uk/bitesize/levels/z3g4d2p</a> and complete the daily lesson.	Monday is 'World Ocean Day'. visit <a href="https://worldoceanday.school/">https://worldoceanday.school/</a> and complete some of the activities.	<b>Family Fun</b> <u>Thankful Jar</u> Find an empty jar and decorate it. Cut a piece of paper into strips and put them into the jar. Every time you are thankful for something, write or draw it on one of the strips. Get the whole family to do this and share the contents when the jar is full.
Find a book in your collection at home and read this on your own or with an adult. Now write at least 3 questions about the book using the correct punctuation.	Collect different items that could carry water like cups, bottles, jugs and bowls. Try to guess which will carry the most water. Ask an adult to help you measure the capacity of each. Were you correct?	<u>Edible Art</u> Find a space on the table then arrange fruit and veg to make a picture. Can you make a face or a house?	<u>Copy Cat Dancing</u> Pick a leader from your family and copy their dance moves. Gradually, add more until you have a routine.
How many words can you think of containing the 'ch' sound? Can you write down the words?	Practice writing digits 0-9. Make sure all of your numbers are the same size and facing the correct way.	Use balled up socks to practice your throwing and catching skills. Try throwing your sock into a basket or box.	Play musical statues. For extra fun, theme each round with funny faces, monsters, elephants etc..
Practice writing these words; School, friend, once, love, one, his, your, where, our Write them five times each using a different colour each time.	Visit <a href="https://www.topmarks.co.uk/maths-games/hit-the-button">https://www.topmarks.co.uk/maths-games/hit-the-button</a> Practice your 2,5 and 10 times tables.	Check on the seeds you planted last week. Has anything happened? Draw a picture of what you see in pot 1,2,3 and4.	Make your own bed every morning. Can you help to change the linen?
Draw a picture of your garden, bedroom or an outside space. Now label the different items you have drawn. Use a ruler and your neatest handwriting.	Practice writing numbers from 1-20 in words.	Cut up a sheet of paper into small pieces and write a word on each piece. Put them into a pile then pull out the words to make silly sentences.	<u>Re cycle Art Gallery</u> Use paint, stickers, glue and glitter to transform old containers into works of art.
