| Teacher's weekly message: | <p>Hi Hedgehogs, hope you are all still smiling and keeping safe.</p> <p>Last week I was in in school and we learned about how plastic and litter is polluting our seas. We talked about how we could make the sea a cleaner habitat for sea creatures and we promised we would try to re-use and re-cycle as much as we could. Maybe you could talk about re-cycling at home too.</p> <p>Take care everyone and I will see you soon.</p> <p>Mrs Graham</p> | | |
