

Home Learning Grid

Week beginning:	13 th July 2020
Class name:	Hedgehog class
Teacher's weekly message:	<p>Hello Hedgehog class. Hope you are all well. It has been a busy week in school. We have all been working hard, painting fences, tidying the grounds and getting classrooms ready for your return in September. It will be wonderful having a school full of children again.</p> <p>I am sad that we didn't get to work together but I look forward to seeing you all soon.</p> <p>I hope you all have a wonderful summer</p> <p>Love from Mrs Graham</p>

All about the Number 13
Home Learning Challenges

Create a number 13 poster. Write the digits to make the number 13 and stick 13 items onto your poster. How else can you represent the number 13?

13

<p>Remember, you are living through History and in the future people will be reading about this time. Write a diary about your week-include what you have done each day.</p>

<p>Snuggle up and watch a film as a family. Maybe you could design a poster to advertise the movie.</p>

 <p>Write a few sentences about this picture. What can you see? What has happened? What will happen next? Remember to use full stops and capital letters.</p>

Maths Challenge

6. Look at this pattern:
Which is the correct ending?

A

B

C

<p>Check on the seeds you planted a few weeks ago. Has anything happened? Draw a picture of what you see in pot 1,2,3 and4.</p>

<p>Go into the garden with a member of your family and a ball. Make up a new game with your own rules then show it to somebody else.</p>

<p>How many words can you think of containing the ' ay' sound? Can you write down the words?</p>

<p>Visit https://www.topmarks.co.uk/maths-games/hit-the-button Practice your 3 times tables.</p>

<p>Look in your garden. Are there some flowers? Now paint your favourite one.</p>

<p>Ask people in your family what their favourite song is. Listen to the songs & decide which one you like best.</p>

<p>Read a story together. How many of these words can you see in the pages; one, once, today, at, I, love, school? Practice writing them. Write them five times each using a different colour each time.</p>

<p>Complete the following,</p> <p>3 groups of 2= 2 groups of 10= 4 groups of 5=</p> <p>6 groups of 10= 7 groups of 2 = 7 groups of 5= 8 groups of 5=</p> <p>10 lots of 2= 11 lots of 2= 5 lots of 4= 4 lots of 5=</p>

<p>Write a letter or draw and label a picture of yourself. Send this to your new teacher and let them know all about yourself.</p>

<p>Create your own creature from junk! Use items from your recycling bin, unwanted parts of toys or even special items you have found when out walking or in the garden.</p>

Add an adjective to the following simple sentences. Write them out in your best hand writing.

1. Benny was a dog.
2. The car was on the road.
3. Isla wore a hat and some gloves.
4. The wind howled outside of the window..
5. Zach was playing with a ball..

Katy is counting.

Is she counting forwards or backwards?

How do you know?

Draw a picture of your favourite superhero. Add labels to your picture to describe their costume.

Nature hunt

When you go outside see if you can spot;
A worm after a shower of rain
A bumblebee looking for nectar
A slimy snail in a dark damp spot
A butterfly basking in the sunshine
