11th September 2020

Dear parents,

We are delighted with how your children have settled into our EYFS Bubble. Children have played so well in the Reception Classroom and the vast Early Years outdoor area. We hope you've enjoyed seeing photographs on our Facebook page.

We would like to set up our very first 'Information sharing' via Microsoft Teams. We are somewhat excited to do this but also a little apprehensive that the technology will let us down. Please be patient with us and the technology as we trial this new way of working.

1. You will receive a survey from 'Survey Monkey' next week providing a choice of dates and times to join the meeting. We anticipate that about 5 parents will join one meeting. This meeting is not to discuss your individual child, it is an opportunity for Mrs Hume to share information with you about how the EYFS Bubble is working—what your children are playing with and the learning opportunities they are receiving. You may wish to ask general questions but please refrain from asking questions about your individual child as this is not a parents evening. If this works, further individual meetings can be organised.
2. You will receive a meeting invite through your e-mail. If you have not provided your e-mail address yet, please send it to edmondsley@durhamlearning.net

If you are unfamiliar with Microsoft TEAMS, we can set up a trial if you wish. Please contact Mrs Hume if you would like this to go ahead.

Our fingers are crossed!

If you prefer a different method of communication for us to consider, please let us know.

Best wishes,

Mrs A Rees

Head Teacher
