<b>NON FICTION</b>	Poetry	Non-Fiction	Poetry			Non-Fiction
<b>Class Reader</b>	Cosmic	Orphans of the Tide	Holes	Crater Lake	The House with Chicken Legs	Letters from the Lighthouse

1. Key Stage 2 children follow the Fiction Express, whole class reading resources which are set at three levels; Level 1 - Rabbits (3.4), Level 2 - Deers (4.5), Level 3 - Stags (5.6). Reading lessons take place on a Tuesday from 10:50 - 12:15 in Key Stage 2. These lessons follow a sequential provision of texts using the Fiction Express reading scheme. During lessons, there is a focus on objectives taken from our target and assessment grids (TAGs). Two lower ability groups (up to 6 children per class) are also identified each year and these children receive once a week guided reading lessons to build confidence in decoding and answering simple recall and retrieval questions. Guided reading texts chosen follow the guided reading scheme for progression and to avoid repetition. Guided reading overviews are filled in weekly by the TA or teacher.

2. In Years 1 and 2, children read to an adult at least once a week. Where possible, this is done against the objectives set out on our TAGs. Children also receive one reading lesson a week which also focus on objectives from our TAGs

3. In Nursery, Reception and Year 1, phonics lessons are taught every day using the letters and sounds guidance. Where possible, the reading books children are given to take home are matched to the phonics which they have been taught. The class is usually separated into two groups for phonics; a lower ability group needing additional support and consolidation and a main group. Children who have not passed their Year 1 phonics screening tests are also provided with three sessions of phonics teaching per week in Year 2.

4. Our spelling scheme follows the expectations of the National Curriculum but also, where possible, phonics that have been taught previously.
