Years 3 and 4 - An activity has also been added to Math Shed.

PHSCE - Aim High

This week we are looking at aiming for our goals and achieving our aspirations. What goal have you achieved that you have you been most proud of this year?

How did you achieve this?

How do you think others felt at your achievement? Did you have to show bounce-back-ability?

Design a Superhero comic strip that shows what happened and how you (the Superhero) achieved your goal. Remember to include what 'tools' you might have needed (dictionaries, multiplication grids, etc.), 'powers' (resilience, determination, etc.) and include any 'side-kicks' you may have needed to call upon (parents, friends, teachers, etc.).
