

English

In English during this half term, we will read books related to feelings.

With support, we will focus on:

- developing phonics knowledge to learn to read and write words;
- writing captions, labels and lists;
- reading and writing simple instructions;
- sequence short narratives pictorially; and
- organise writing correctly (left to right, top to bottom).

Maths

In Maths during this half term, our objectives will focus on number and place value.

We will be learning to:

- sort and count objects;
- represent numbers;
- count forwards and backwards;
- count one more/one less;
- compare numbers using symbols;
- order objects and numbers;
- learn the whole part model; and
- learn addition families and symbol.

Science

In Science during this half term, our focus will be on materials.

We will be thinking about the following questions.

- What materials can we find around our environment?
- What are materials like?
- Which materials are magnetic?
- How can we sort objects?
- Which materials are suitable for building?

Geography (or) History

In Geography this half term, our focus will be 'Where do I come from?'

We will be learning to:

- use maps and aerial photographs to inform investigations of school, grounds and the local area;
- develop simple knowledge about their locality; and
- develop locational knowledge about their schools and homes.

Hedgehog Class - Autumn 1 Curriculum Grid

PE

We will be taking part in PE on **Wednesday and Thursday**. The children will need to come to school in their PE kits for these days (tracksuit bottoms, school jumper and trainers). We will be taking part in yoga and multi sports.

FOREST FUN - We will also be taking part in Forest Fun activities on Tuesday afternoons. Please wear tracksuit bottoms, trainers and school jumper on this day.

RE - What do Christians believe about God?

This half term in RE, we will be exploring these questions-

- Who do we mean when we use the word 'God'?
- What do Christians believe that God is like?
- What happens in the parable of 'The lost son'?
- What happens in the parable of 'the story of Jonah'?
- How do Christians talk to God? Why do Christians believe in The Holy Trinity?

Personal, Social, Health, Relationship and Citizenship Education

In PSHRCE this term our focus will be, 'What's new?'

We will be considering the following questions.

- Where do I belong?
- How can I help make my class a good place to learn?
- How can I join in with other children playing a game?
- What can I do to calm myself down when I'm upset?
- How am I different/similar to my friends? What is diversity?

Computing

In Computing this half term, our focus will be on using a computer independently.

We will be learning how to:

- log onto a computer or use a QR code to evidence work;
- log in to a computer;
- navigate around the screen with a mouse; and
- type using a keyboard.

Art (or) Design Technology

In Art this term our focus will be natural art including a study on Louise Bourgeois.

We will be learning to:

- use a wide range of materials creatively to design and make products;
- use drawing, painting and sculpture to develop and share their ideas, experiences and imagination;
- develop a wide range of art and design techniques in colour, pattern, texture, line, shape, form and space; and
- understand about the work of artists, craft makers and designers, making links to their own work.
