

## English

In English during this half term, we will be exploring the book 'Stig of the Dump' by Clive King.

We will be investigating and writing:

- Persuasion
- Playscripts
- Narratives featuring issues and dilemmas.

## Science

In Science during this half term, we will be working to answer the question:

Why could the platypus be a bird?

We will be doing this by:

- Exploring what it means to be a living thing.
- Comparing animals, classifying, and learning about life cycles and reproduction in animals.
- Describing differences and similarities and their importance.

## History

In History this half term our focus will be: Who were Britain's first hunter gatherers?

We will be learning:

- Changes in Britain from the Stone Age to the Iron Age.
- Technology in the earliest settlements.
- Key features of an era and changes overtime.

## Maths

In Maths during this half term our focus will be on Place Value.

We will be learning to:

- Recognise the place value of each digit in a four-digit number (thousands, hundreds, tens, and ones).
- Read, write, order and compare numbers to at least 1 000 000 and determine the value of each digit.
- Read Roman numerals to 1000.
- Use place value, known and derived facts to multiply and divide mentally, including: multiplying by 0 and 1; dividing by 1; multiplying together three numbers.

## Deer Class - Autumn 1 Curriculum Grid

## PE

We will be taking part in PE on **Monday and Friday**. The children will need to come to school in their PE kits for these days.

We will be improving our overall health and fitness. As well as develop flexibility, strength, technique, control and balance through gymnastics.

## RE - What do we know about the Bible and why it is important to Christians?

This half term in RE, we will be exploring why the Bible is important to Christians.

We will be learning:

- The importance of the Bible as the source of authority to Christians.
- How the Bible tells the Big Story (beliefs) of Christianity: Creation/Incarnation/Salvation.

## Computing

In Computing this half term, we will be learning how to:

- Save a document in a shared folder and retrieve this to continue working on it.
- Organise a personal folder effectively for instance by organising work into folders for each year at school
- change font size and style; include shapes and backgrounds and to use the Spellcheck function

## Art

In Art this term our focus will be on best of British: **Artists from Great Britain**

We will be learning:

- To use sketch books to record observations and use them to review and revisit ideas.
- About great artists, architects, and designers in history.
- To improve mastery of Art and Design techniques, including drawing, painting and sculpture with a range of materials.

## Personal, Social, Health, Relationship and Citizenship Education

### What is new?

In PSHRCE this term our focus will be

- Exploring thoughts and feelings of a new school year and other changes we may face at this time of the year.
- Developing our perseverance when faced with new challenges.
- Exploring growth mindset and how to keep our bodies healthy.

## French - Je me présente

In French we will be learning how to say hello and goodbye and ask how somebody is feeling and answer how we are feeling. To talk about ourselves and ask others for simple information in return.
