<u>Meeting national curriculum requirements for swimming and water safety</u>	
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	91%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	91%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	83%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

## Funding

Sports Premium funding is an amount of money which the government has agreed to allocate schools over an academic year. The funding amount schools receive is based upon the number of children from Year 1 upwards as well as a base amount of £16,000 (doubled from the previous year). **Our allocated funding for 2020 – 2021 is £17,340. Added to the carry forward from 2020 -2021 (due to Covid 19) of £1920, our total to spend this year is £19260 .**

There are five main aims that this premium should be used to address:

1. The engagement of **all** pupils in regular, physical activity.
2. The profile of PE and sports being raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff teaching PE and sport.
4. Broader experiences of a range of sports and activities offered to all pupils
5. Increasing participation in competitive sport.

Overleaf is an overview of how this funding has been (and is planned to be) spent.
